Sailing

The 1981 Claw

East Davidson

High School

Thomasville, N.C.

Volume XX

Cover: Permission granted by IMPACT,
Concord, California.

She is loved by her students for her wisdom and genuine concern. She shares knowledge with us from how to balance equations to helping those students who are troubled with personal decisions and problems. She realizes the importance of caring for, as well as teaching, her students. Those in her classes know her as an inspiration, for she tells them never to give up until their work is done.

Mrs. Atwood, you're more than just a teacher-you're a friend. In appreciation, the annual staff would like to dedicate the 1980-81 Claw to you, Mrs. Charlise Atwood.

Sailing

-Christopher Cross-

It's not far down to paradise
At least it's not for me
And if the wind is right you can sail away
And find tranquility
The canvas can do miracles
Just you wait and see
Believe me

It's not far to never never land
No reason to pretend
And if the wind is right you can find the joy
Of innocence again
The canvas can do miracles
Just you wait and see
Believe me

Sailing
Takes me away
To where I've always heard it could be
Just a dream and the wind to carry me
And soon I will be free

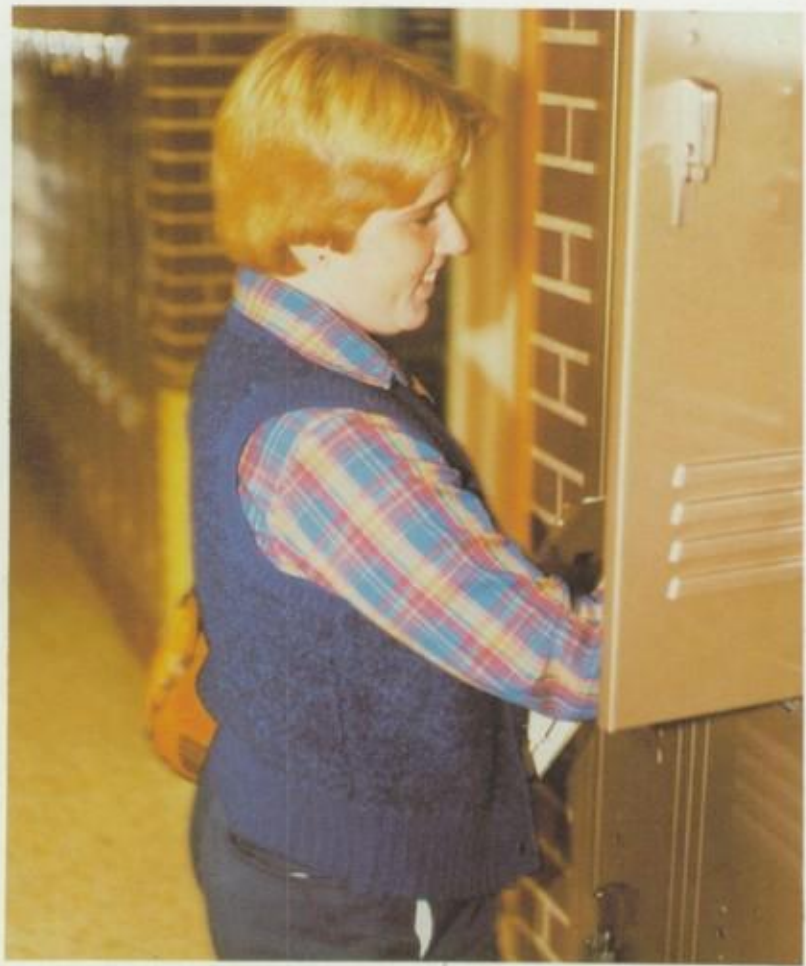

Fantasy
It gets the best of me
When I'm sailing
All caught up in the reverie
Every word is a symphony
Won't you believe me

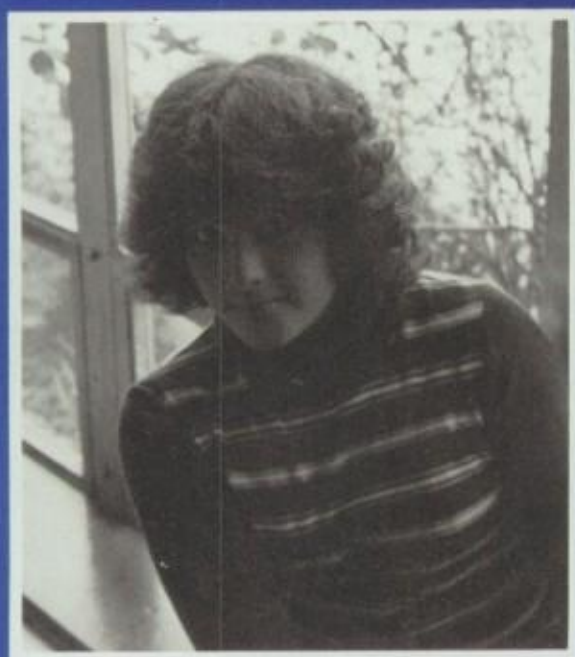

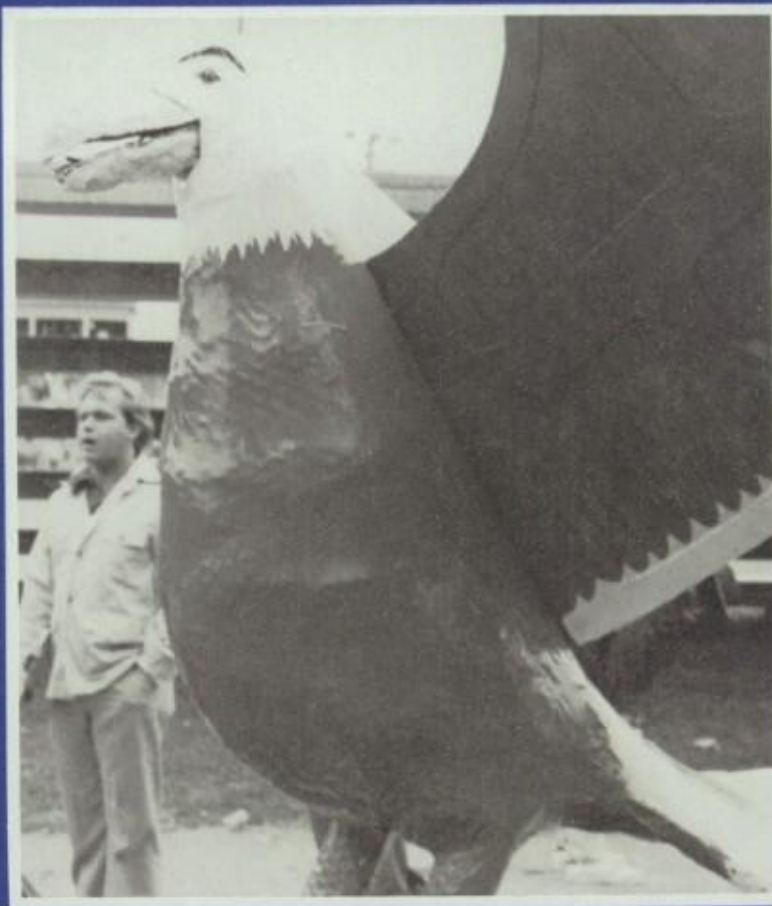

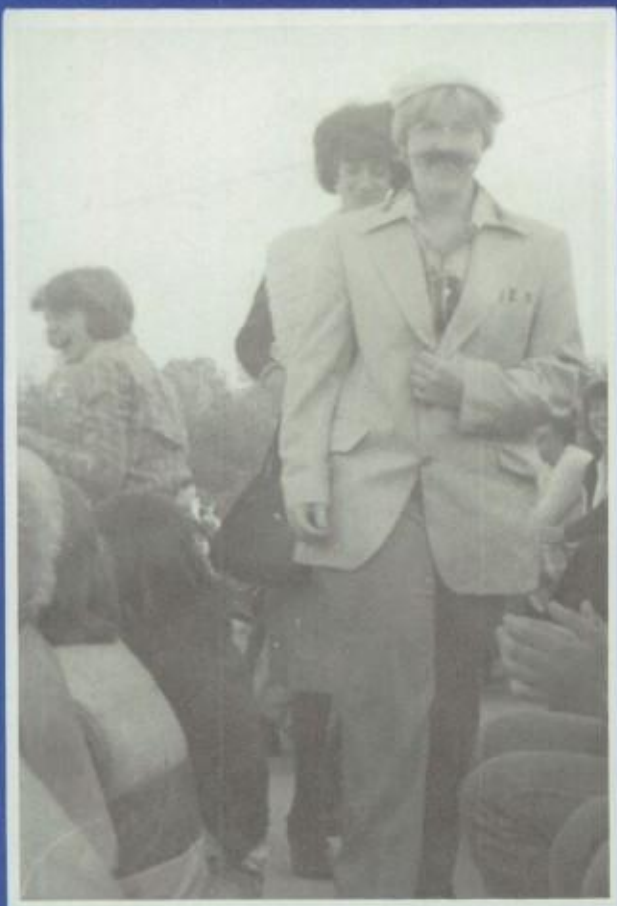

It's not far back to sanity
At least it's not for me
And if the wind is right you can sail away
And find serenity
The canvas can do miracles
Just you wait and see
Believe me

The doughnut sales, letter jackets, class rings, P.S.A.T., and the Prom are all a part of being a Junior. One realizes how far he has come since the beginning of his school years, and how close he is to the end. This is the time for hard and sometimes painful decisions.

As a Sophomore, one becomes aware of the close friendships he shares with his fellow classmates. He is no longer under the pressure of the upperclassmen and begins to accept his own roles in high school life. Thus, taking the first step toward being a more mature person.

Varsity
Cheerleaders

Mrs. Debbie Sowers-Sponsor

Over the summer the Varsity Cheerleaders attended ICF cheerleading camp. They received five performance ribbons and an Excellent rating. Through both football and basketball seasons, our cheerleaders have promoted a tremendous amount of school spirit. The long hours of hard work have certainly paid off. We're proud of you, Varsity Cheerleaders!

As they line up on the side lines to prepare for their show,
 What the audience should be ready for they do not know.
 Get settled down and keep your seat,
 For it's the Marching Eagles and you're in for a treat!
 They start off the show with "Spanish Dreams",
 To do what they do, they must go to their extremes.
 Next, everyone's favorite, "Bugle Boy";
 They really get into it, you can see their joy.
 "She's Out Of My Life" slows the beat,
 And soon everybody is tapping their feet.
 "Patriotic Spectacular" was a salute to the flag;
 They performed it so well their parents had to brag.
 And just for the Golden Eagles, to prove they were still strong,
 They played for them, the Eagles' "Fight Song".
 They came off the field and went straight to the stands;
 And to their surprise, a standing ovation from the fans.
 During the show, from the spirit they had shown,
 A seed called "Pride" had now been sown.
 Time goes on, and for some of us this is the last of our years.
 While thinking of the good times our eyes fill with tears.
 We must be leaving and going our separate ways,
 Even though we are wishing that we could still stay.
 To us you are super, and you'll always be grand,
 Because you are the "Golden Eagle Band".

DANIEL E. GENTRY, M.D.

There's nothing more revealing than a naked diamond.

The diamond you buy should have nothing to hide. That's why it's advisable to select your stone and mounting separately.

Before a diamond is mounted, your jeweler can easily demonstrate its cut, color, clarity and carat weight to you. With his help, you will be able to see and compare the brilliance of different stones yourself.

Brilliance is the key to beauty in diamonds. Always look for a diamond that has been cut and polished to bring out all of its natural brilliance, one that meets the exacting standards that have been established as ideal. These are called ideal cut diamonds.

When a diamond is ideally cut, its 58 facets are placed in precise relation to the others. They act as tiny mirrors, constantly capturing and reflecting light and bouncing it back through the top of the stone in a brilliant blaze. A diamond cut too shallow makes it look bigger, but lets some of the light "leak out" through the bottom and the stone appears watery. One cut too deep lets light "leak" through the sides and appears black in the center when compared to an ideal cut diamond.

LK Ideal Cut Diamonds ensure you of getting the most beauty and value for your investment.

The 1980-81 Claw

When I accepted the job as editor of this year's annual, I really had no idea what I was getting into. I knew it would be a hard job, and it did start out this way. But as time passed, it got harder. Then to top it all off, uncontrollable circumstances made it impossible for me to be in the same class with my staff. I had to relay everything through my assistant, Laurie Lyndon, and this annual probably could not have been possible without her. Cooperation and teamwork were really what made the 1981 Claw. I feel very proud to have been a part of this great staff in putting together the twentieth edition of The Claw. Though we were not able to reach every one of our goals, we did reach many of them which meant many changes from year's past. It is bigger and we feel it is better and hope you will feel the same because it was made for you, the students of East Davidson Senior High and for the Seniors of the Class of '81.

Editor-Jeff Fritts

As we approach the end of another year we realize that the roads ahead of us this time will be roads not yet traveled. We will face difficult decisions and many unanswered questions in our own minds. Even though, as we walk along these untrod paths, we have memories. Memories of friendships, ballgames, dances, proms, and of how we used to be. We will look back on graduation and see how glad we were to be free and realize how much we wish we could go back. We must not erase the child in us. We must keep the laughter and innocence a child possesses. We must reach for the stars but keep our feet on the ground. And last but most important to find happiness, we must not pretend to be what we are not. We will find our success in life by trusting in God and by being the person that we are in our own hearts. So as your friend, I wish for each of you much success, much happiness, and much love.

Peace Be With You All,

Laurie

Randy (sorry)

Well I just don't know
where to begin. At the first of the
year I didn't care for anyone. But.
I guess now it is different. Although,
you are mean and handy sometimes,
I still like you alot. I hope we can
see each other alot this summer. I
realize now at the first of the
year I made a big mistake, I hope
some time I'll be able to start over
again and do it differently. I wish
~~you~~ you all the luck in the world. I love
~~you~~ and do good in baseball. I
hope we'll always remain good
friends. Come and see me some,
if you don't I'll be mad. I love
a good summer, and I hope I'll
be included in it too.

Randy,

Hi! Well, look out, here it comes! You're one of the sweetest and cutest guys I know of. We've known each other a long time! And I've enjoyed every second of it too! I'm really sorry that it didn't work out for us when we went together. Maybe next time, if there is one. You seem almost like a part of my family now. You might not believe this but I really did have fun when we went together. I know I did you wrong. And I hope someday you'll be able to forgive me. I just loved David so much that I couldn't think about anybody else. Maybe if Beba & him wouldn't have forced me into it then it might have worked out. I'm really very glad that we're still really great friends. Maybe someday we can be more than that. Maybe!! I always say, "Don't

plan anything, if it's going to
happen, it's going to happen, if it's
not, then don't worry about it."
(Remember that!!!!) Well, I guess
that's all. Stay sweet and you'll
go very far in life.

R. H. T. S.

Love
always,
Angie
